

WSDOT InRoads Training Schedule

As of June 15th, 2006, the following InRoads classes are currently scheduled or in planning stage. All are subject to change. Contact your Region CAE Coordinator for information about classes and training availability.

NOTE: Consultants that are co-located with WSDOT staff, using WSDOT computers with WSDOT logon ID's are eligible to participate in the training listed below if space is available. Consultants working on WSDOT projects from independent facilities are not eligible due to our contract agreement with Bentley Systems.

| <u>Status</u> | <u>Starts</u> | <u>Ends</u> | <u>Code</u> | <u>Class</u> | <u>Region</u> | <u>City</u> |
